Dear Parents

ClassDojo

At present we are reviewing our data protection procedures and we have decided to only use ClassDojo internally. Thus, parents will no longer be able to access ClassDojo from home. Parents can continue to communicate with teachers via the school website at www.crookprimary.org.uk using the classes link option on the tool bar and selecting your child's year group. Once open you will see a 'click here to contact year group' button at the very top of the page. School stories will be still be shared with parents using the website.

Yours sincerely

A J Lupton

Head Teacher
