Dear Parents

Use of Cloud based storage

At Crook Primary, we store and process information and evidence about pupils' attainment. Some of this information is now captured electronically and stored with an external provider (data processor). Please inform Mrs Lupton (in writing) if you wish to opt out of this arrangement. In addition some apps such as class dojo transfer data to the U.S. The school will ensure that the company providing the app/service is certified as an approved company under the EU-U.S. privacy shield. For more information please see www.privacyshield.gov Please inform Mrs Lupton (in writing) if you wish to opt out of this arrangement.

Yours sincerely
