

7 October 2016

Dear Parents

Safety Carousel Year 6 - Monday 7 November 2016

We have arranged for Year 6 children to attend the above event on Monday 7 November 2016, at The Work Place on the Aycliffe Industrial Estate in Newton Aycliffe. The event is organised every year by Durham County Fire Service and includes very useful safety workshops including fire, gas, electricity, internet, water and road safety. Representatives from the Fire Service, Police, Northern Powergrid, DCC and the RNLI will be present.

The bus will leave school at 9.15am and return by 3.00pm.

Children need to come to school in their school uniform and will need to bring a packed lunch. **If your child is eligible to claim free school meals a packed lunch will be supplied by our school kitchen, unless you inform the office otherwise.**

There is no charge for this visit as transport has been arranged and funded by school.

On occasion, there may be press coverage at the Carousel. If you do not wish your child to be photographed, please inform the school office in writing.

Yours sincerely

Year 6 Class Teachers
