

Dear Parents/Carers/Guardians

As a result of your child attending Crook Primary School we need to gather, store and process various data about them. This will be carried out in accordance with our policies and the Data Protection Act.

To ensure our compliance with data protection legislation, we would like your permission to process the data that is needed.

By completing the consent form below you give us permission to store the required data in accordance with the attached privacy notice for students and to share the data with other organisations where we are required to by law.

Additionally we would like to share some limited student data with cloud based service providers. A separate form is attached explaining why we do this, detailing the providers and seeking consent to share the data with these services.

If you have any question or concerns then please contact the office for more information.

Yours sincerely

<b>Pupil name:</b>	
<b>Date of Birth:</b>	
I consent to my child's data being stored by the school in accordance with the privacy notice for students. I also consent to the data being securely shared with other organisations where required by law.
