

21st March 2018

Dear Parents/Carers,

To enhance our history topic about the Vikings, Year 4 have been designing their very own Viking longships during Design and Technology. We have researched how they are made and why they were special, so now we need to create them. To do this we would like to use cardboard and plastic bottles, so we would greatly appreciate any recycling materials you may have in order to help us.

Kind regards,

Year 4 Team
