

27th November 2017

Dear Parents/Carers,

This year, we are inviting the children to design and make their own Christmas decorations to decorate our class trees which are arriving on Monday 4th December. For homework, the children have been asked to create a decoration each based on their favourite character from a Julia Donaldson book. For example, The Gruffalo, The Smartest Giant in Town etc.

We will be decorating our trees on Wednesday 6th December ready for judging by Mrs Lupton on Friday 8th December. This is a school wide competition and the winning class will be receiving a Christmas treat.

We look forward to seeing all of the entries and will be sharing pictures of the finished trees on the school website.

Many thanks,

Year 1 Team
