

10 November 2017

Dear Parents

To support with children's English and Maths work we will be sending out a paper based homework activity each Thursday. This should be completed and returned to school the following Monday. In addition, children can still access Mathletics and Spelladrome on-line for any additional activities they wish to complete.

If you have any questions please do not hesitate to contact myself or Mrs Ferguson.

Yours sincerely

Mr C Askew
Year 3 Teacher
