School BJ	COVID-19 Risk Assessment	1.3	Sept 2020	July 2023	1/58

RISK RATING		Probable Occurs repeatedly, to be expected or could affect large number of people	Possible Could occur sometime or effect a few people	Remote Unlikely to occur or not many people to be affected
Impact	Major Major injury, permanent disability or ill-health	High	High	Medium
	Severe Injury requiring medical treatment	High	Medium	Low
	Minor First aid treatment	Medium	Low	Low

In relation to working in schools, whilst it is not possible to ensure a totally risk-free environment, the Office of National Statistics' analysis on coronavirus (COVID-19) related deaths linked to occupations suggests that staff in educational settings tend not to be at any greater risk from the disease than many other occupations. There is no evidence that children transmit the disease any more than adults.

The school are following the guidance [Guidance for full opening: schools](#) and where applicable guidance for [Early Years](#).

Public Health England advice systems of controls to minimize coronavirus (COVID-19) risks in school environments;

- 1) Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school.
- 2) Where recommended, use of face coverings in schools.
- 3) Clean hands thoroughly more often than usual.
- 4) Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach.
- 5) Introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach.
- 6) Minimise contact between individuals and maintain social distancing wherever possible-Schools put in place measures that suit their circumstances.

7) Where necessary, wear appropriate personal protective equipment (PPE)-Where need identified.

Response to any infection

8) Engage with the [NHS Test and Trace](#) process-Where need identified.

9) Manage confirmed cases of coronavirus (COVID-19) amongst the school community-Schools have been provided with guidance from DCC

10) Contain any outbreak by following local health protection team advice-Where need identified.

Durham County Council (DCC) have produced two documents to support schools in their decision making in relation to COVID-19; [Child/staff develops symptoms in school/setting](#) (Appendix 1) and [Schools/Education settings COVID-19 reporting process](#) (Appendix 2).DCC HR colleagues have produced a flow diagram for schools to follow-[Employee testing and isolation requirements](#).

Where need identified Schools can contact the dedicated advice service introduced by Public Health England (PHE) and delivered by the NHS Business Services Authority. This can be reached by calling the DfE Helpline on 0800 046 8687 and selecting option 1 for advice.

Schools are following Public Health England guidance for [COVID-19: cleaning of non-healthcare settings guidance](#). DCC have produced a cleaning checklist for schools to utilize.

Durham has recently been placed on a local lockdown and the school have considered the guidance produced for the North East in relation to this risk assessment.

For further advice and support contact the Children & Young People's/Adult & Health Services ,Health and Safety Team -hsteam@durham.gov.uk and 03000 263430.The Health and Safety Team have placed all relevant documents in a [COVID-19 file](#) on their Extranet page.

All relevant guidance contained in this document is subject to updates as required.

H&S Manual	Form	Version	Issue Date	Next Review	Page
School BJ	COVID-19 Risk Assessment	1.3	Sept 2020	July 2023	54/58

Employee testing and isolation requirements

Employee or member of their household has symptoms and requires a test

The individual should self-isolate, along with household and support bubble members until test results received.

Advice should be sought from their GP or 111 if they are concerned about their symptoms.

Tests can only be arranged for people who have symptoms.

Arrange appointment through Occupational Health if:

- ✓ Live in County Durham and Darlington
- ✓ 12 years or over

Headteacher or Business Manager email occhealth@durham.gov.uk to arrange an appointment.

Ensure put COVID-19 as email title, include employee name and contact no. and whether it's the employee or household member.

PLEASE NOTE: This inbox is only monitored Monday to Friday.

The individual will be given phone number and unique reference number to book appointment at **Darlington Memorial Hospital** or **University Hospital North Durham**.

If do not meet the criteria or symptoms start on a weekend, make an appointment for a test by:

- ✓ Ringing 119
- ✓ Booking online at www.gov.uk/coronavirus

The individual will be able to book a drive through or walk in test at a suitable available location or request that a test is posted to them.

See next page for advice about next steps following test results

Symptoms develop without contact from NHS Test and Trace or health professional

POSITIVE RESULT

Employee must isolate for **10 days** from start of symptoms (or from date of test if no symptoms)

Other household members must isolate for **14 days** from when tested individual started isolating

NEGATIVE RESULT

Employee can stop isolating when:

- Everyone they live with (who has symptoms) tests negative
- Everyone in their support bubble (who has symptoms) tests negative
- They were not told to self-isolate by NHS Test and Trace (see information on next page)
- They feel well

If they have diarrhoea or are being sick, stay at home until 48 hours after they've stopped.

Other household members do not need to isolate

INCONCLUSIVE RESULT

Employee should get another test as soon as possible.

If they had a test because they had symptoms, they should keep isolating. This must be within 5 days of symptoms starting.

If they do not have another test in time, they must self-isolate for **10 days** from when the symptoms started.

If they did not have symptoms, they do not need to self-isolate while they wait for another test.

If individual has symptoms, other household or support bubble members must self-isolate for **14 days** from when the symptoms began.

If individual does not have symptoms, household or support bubble members don't need to self-isolate.

Symptoms developed following contact from NHS Test and Trace or health professional

POSITIVE RESULT

Employee must continue to isolate for **10 days** from start of symptoms even if this means they're self-isolating for longer than 14 days.

Other household and support bubble members must isolate for **14 days** from when tested individual started showing symptoms.

NEGATIVE RESULT

Employee should continue to self-isolate for the remainder of the **14 day** period from when they were last in contact with the person who has coronavirus.

Other household and support bubble members can stop isolating if they do not have symptoms.

INCONCLUSIVE RESULT

Employee should get another test as soon as possible. This must be within 5 days of symptoms starting.

They should continue to self-isolate for the remainder of the **14 day** period from when they were last in contact with the person who has coronavirus.

If individual has symptoms, other household or support bubble members must self-isolate for **14 days** from when the symptoms began.
