Recovery Curriculum

To ensure all children in Y3 have met the expected skills and learning objectives taught in KS1, we will be re-covering English and maths objectives taught in Y2 that children may not have been taught due to the current climate.

In maths we will be focussing on:

- representing numbers
- comparing number sentences
- addition and subtraction
- multiplication and division
- fractions

Topic

This term year 3 will be following the Commando Joe's topic of Pocahontas. This incorporates different school subjects, such as:

- Science
- D&T
- Geography
- History

Children will have to complete missions, improving skills such as resilience, empathy, self-awareness, passion, excellence, communication and teamwork.

Topic Homework

Who was pocohontas?
Create a fact file.

Make a poster highlighting the importance of saving water.

Make an observational nature sketch. (outdoor activity)

Make a list of all the reasons why you love someone.

Design a book cover for The Story of Pocahontas.

This homework is optional, however it would help to create a deeper understanding about Pocahontas' life and Native Americans.

Make a rain stick instrument.

Make your own nature crown. (outdoor activity)

Make a model of the ship that Pocahontas travelled to England on.

Create an information book about Native Americans.

Homework

In year 3 homework is set on a Wednesday and must be completed by the following Wednesday. If not completed, children will be required to complete in school.

- **Reading for pleasure** - Fiction Express (online) - Read a chapter a week. The new chapter on Fiction Express will be released every Friday, and is expected to be completed by the following Tuesday.
- **Maths** - TT Rockstars (online) - Children are expected to complete 15 1-minute games per week. Short bursts of practise on a daily basis are more effective than spending hours once a week.
- You will shortly be updated about a new website called MyOn where children will be able to read for fluency. This prevents books having to be taken home.

Unfortunately there will be no homework club, therefore if your child cannot access a computer at home, provision will be provided on a Thursday lunchtime with either Miss. Lee or Miss. Dobinson.

Reading books

- Children will have a reading book which stays in school which they will take a quiz on and change weekly.
- In the coming weeks they will receive log in details for a new online system called MyOn. This will give them access to the reading books we have in our library and more.
- They will be able to quiz on the books they read online and teachers will be able to monitor the progress children are making; and how often they are reading.
- The books will be allocated to them online based on their current reading level.
- This should take place daily as in the past with an actual reading book.

How will Class Dojo work?

- Dojos relate to our Gem Powers; diamond, ruby, sapphire and emerald. We will be looking for these behaviors to award dojos.
- Children will work towards a mystery total at the end of the half term.
- All children who have reached the target will participate in a 1 hour Golden Time in their year group.
- Children who do not meet the target will use this time to reflect and building strategies to improve their learner behaviors.
- Weekly Dojo champions will be announced each week and shared with parents via *Marvellous Me*.

Reminders

- Please adhere to social distancing guidelines on the school yard. This is to protect not only your child, but yourselves and the teachers.
- Children are not to bring water bottles to school. Cups are provided for them to access water in school.
- Children do not need to bring a bag to school unless they are bringing a change of shoes for PE.
- As we enter Autumn & Winter please send your child to school in appropriate clothing and footwear. We have our windows open for ventilation and lunchtime is on the field.
- Children should not bring personal belongings in to school.
- If you need to speak to your child's teacher please use the year 3 email or contact the office for a phone call; we cannot converse on the yard at the present time.
- If your child is showing any symptoms of Corona Virus do not send them to school. They should isolate and have a test.

Thank you!

- Thank you for your patience and support in what has been such a strange start to the year.
- It is not how we usually start the year, nor how we prefer but it is vital we do all we can to keep everybody safe.
- Stay safe!
