### Writing

- ❖ Create your own new superhero. Do they have a side kick? What powers do they have? Do they have a weakness like Superman and kryptonite? Who do they help?
- ❖ Modern-day Superheroes: How many modern-day heroes can you think of? Firemen, NHS, Police, other keyworkers? What makes them super? Can you write a letter of thanks to them for their hard work over this difficult time?
- ❖ Real-life Superheroes: At school we have already looked at real-life superheroes such as Florence Nightingale and Grace Darling. Find out about a real-life superhero that we have not looked at before and write a fact file about them. For example, you could look at Winston Churchill, Amelia Earhart, or Nelson Mandela?
- ❖ Superhero Power Potion: Can you write a recipe for a superhero power potion that when taken, gives you supreme, incredible superpowers? What ingredients will you include? How should your potion be taken?

on your progress board? We will be looking each week to see your progress.

### Phonics activities:

- ❖ Make flashcards for all the sounds you know. Draw pictures on the back. Aim to practise your flashcards every day with a family member.
- ❖ Pick a sound – how many things around your home can you find with this sound? Is it at the beginning, middle or end of the word?

## Transition Ideas

- Getting ready for Year 2 in September -

Are you excited to start another year, in a brand-new classroom with your new teacher? We know your new teachers can't wait to meet you. Have a look at some of the activities you could do over the last few weeks of term to help you get ready for this exciting change.

- ❖ Complete the All About Me activity book
- ❖ Write or draw things that represent you on the face outline.
- ❖ Write a message in a bottle containing worries, thoughts or goals for next year.
- ❖ Take a photo of yourself ready for your teacher to use for display, peg labels and drawers.
- ❖ Paint your self portrait and send it to your new teacher.
- ❖ Two Stars and Wish – write down two things that you are really good at in school and one thing you wish you were better at.

Why don't you impress your new teacher by sending them your transition activities? They have got lots of display boards that need filling with your wonderful work. We know you will make us proud! 😊
