

Dancing in the Moonlight

Dancing in the Moonlight has been covered by many artists since it was first recorded by Bofalongo in 1970. This week it has reentered the charts at number 53 by Jubel featuring Neimy. Why don't you ask your family if they remember it? My favourite version is by Toploader and is from 2000.

We get it on most every night
When that moon is big and bright
It's a supernatural delight
Everybody's dancing in the moonlight

Everybody here is out of sight
They don't bark and they don't bite
They keep things loose, they keep things light
Everybody's dancing in the moonlight

Dancing in the moonlight
Everybody's feeling warm and bright
It's such a fine and natural sight
Everybody's dancing in the moonlight

We like our fun and we never fight
You can't dance and stay uptight
It's a supernatural delight
Everybody was dancing in the moonlight
