

School Office

As rates are rising through the country, we must do even more to keep us all safe. Please only come to the office if you absolutely have to.

Otherwise please use our email or telephone us.

Play equipment

Unfortunately children are not allowed to play on the outdoor play equipment. This week, signs stating that children must not play on them have sadly been ripped off. This equipment is not washed. Please do not allow your children to play on them when you are supervising them.

Rain is forecast

Rain is forecast for all of next week so please make sure your child has suitable outdoor clothing.

Parking

We have asked by DCC to pass on the following information:-

“We are experiencing again a high number of parents/carers using our Crook Business Centre car park when dropping/picking up children at your school. This car park is for tenants contractors and DCC staff working/accessing the centre **ONLY**.”
