

[Secondary School Pupils](#)

This week there have been quite a few secondary school pupils in the yard. Please do not bring older siblings into the yard. If an older brother or sister is collecting their brother or sister, please make sure they understand that they should come on their own and not bring friends with them.

If your child has been sent home from another school to self isolate, they must not come into our yard.

Unfortunately, children are not allowed to play on the outdoor play equipment. This equipment is not washed. Please do not allow your children to play on them when you are supervising them.
