

Christmas Jumpers

We would like children to wear a Christmas jumper on Friday 11th December for some Christmas cheer. This year we will not be requesting any money.

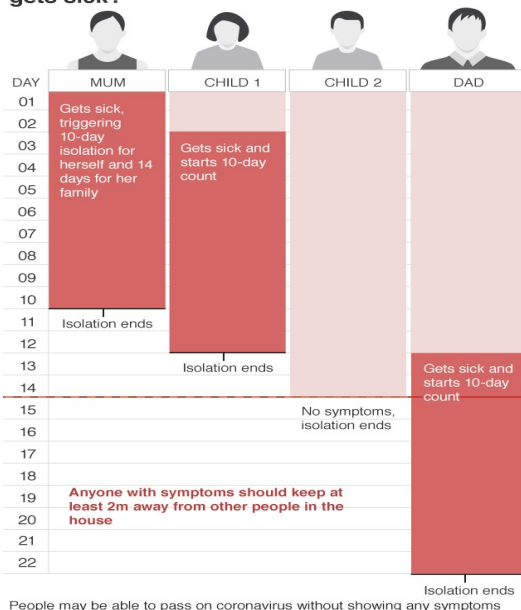

A plea...

We have done so well up to now. We are hearing reports from a few children about social mixing in houses. Please follow the guidance in order to keep us all safe.

- **HANDS** - Wash your hands regularly and for 20 seconds.
- **FACE** - Wear a face covering in indoor settings where social distancing may be difficult, and where you will come into contact with people you do not normally meet.
- **SPACE** - Stay 2 metres apart from people you do not live with where possible, or 1 metre with extra precautions in place (such as wearing face coverings or increasing ventilation indoors).

A reminder if you have to isolate

What happens if someone in your family gets sick?

Please keep us informed daily if you have to self isolate and email us the results of children's test.

Other schools

Please do not bring children who are isolating/ or who have been sent home from other schools due to teacher shortages into the yard at drop off and pick up times.

Coats and Jumpers

Please ensure your child comes to school each day with a coat on as it is becoming much colder. Due to the recommended guidance of having windows open, it is very cold in school. Children can wear an old jumper or fleece to keep warm.
