

Masks in the yard

Thank you to all of you who are wearing masks in the yard.

Dropping off and collecting

Please ensure that only one person drops off and collects (it doesn't have to be the same person). This reduces the number of people in the yard to help with social distancing.

Climbing frame

Children are NOT allowed to play on the outdoor play equipment before and after school as it is NOT cleaned.

Bikes and Scooters

Children can only come to school on a bike or scooter if the parent takes them home. Bikes and scooters can not be left at school.

Self isolating/waiting for a test

Please make sure that you telephone the school each day to keep us informed if your child is waiting for the results of a test or self isolating due to contact with someone outside of school.

Happy half term everyone!

Today we close for a well earned half term break. Please follow the guidance and stay safe. Thank you for your continued support.

Halloween and Children in Need

Unfortunately, due to the pandemic we are unable to celebrate Halloween in school this year. We hope you enjoy celebrating at home. We will not be supporting Children in Need. This is so staff do not have to handle money, potentially putting them at risk as well as ensuring families keep money for themselves.
