

17 March 2020

Dear Parents

## **Coronavirus update**

Thank you for your continued support. We know that there are some children and families who are self isolating and are requesting work. We cannot respond to all the requests individually as we are planning and preparing for any potential future closure (we are still open!) as well as teaching day to day.

We suggest that any children who are self isolating do the following:

### **Maths**

1. School jam for Year 1
2. TT Rockstars for Year 2

### **English**

1. Year 1 and 2 Reading Planet
2. Reading - Year 3 upwards can read as many books on Fiction Express - there are also tasks and quizzes children can take.

In addition to reading books, all children should practise handwriting formation. EYFS should practise numbers 1 - 20, phonics and letter formation.

Key stage 2 can also become fluent in Spanish!

We will also put home learning packs for each year group from Twinkl on our website.

Yours sincerely

Mrs A J Lupton  
Headteacher
